Report by Dr. Gang Li: “Summarizing and Sharing the Experience of Visiting China”

This is the July's OCEAN Monthly Meeting. Dr. Gang Li, the President of OCEAN, reported the experiences of 20-member OCEAN Delegation in China. OCEAN delegation visited China from June 17 to June 30, 2002. Since we prepared well for this visit, the delegation has been treated specially and greatly almost anywhere and the visiting was fruitful. The cities visited were: Tianjin (2 days. Visited Tianjin TEDA, Tianjin VC Development Center, Tasly Pharmaceutical Group, and Tianjin Univ.); Dalian (2 days. Participated 2002 Liaoning Overseas Chinese Scholars Entrepreneurship Week); Liaoyang (3 days. Continued for the Entrepreneurship Week. Some delegation members visited Liaoyang, Shenyang, Benxi, Fusun, Fuxin and Yingkou, etc); Haerbin (3 days. Participated Haerbin Overseas Chinese Scholars Entrepreneurship Conference); Visited Other Cities individually, such as Beijing, Guangzhou, Shanghai, etc. Besides the individual project (Many agreements have been signed since every one had a business plan which told how to raise money in China), OCEAN might get some projects in education, post doctors training, and establishing Overseas Chinese Scholar's houses, etc. which may relate to your investment and entrepreneurship life. On this meeting, we will summarize and share all the experience and information we got during this visiting with you.

The meeting was moderated by Dr. Jing Xuankang, Chair of Entrepreneurship Club and vice president of OCEAN, and OCEAN Announcements was made by Dr. Gang Li, president of OCEAN:

- (1). Start OCEAN MBA Training Program (Term 3)
- (2). OCEAN Education Center calls for teachers in MBA, Health Care Management, English, WTO, International Trade, and others.
