

## May 2003 Monthly Gathering

Entrepreneurs Club  
May 2, 2003, 7:00-10:00pm  
MIT E25/117

In this routine monthly networking event, we invited two speakers:

- ▶ Dr. Hwachii Lien, President of Financial Sciences, Inc., delivered a presentation on "INVESTMENT BASICS" covering a variety of key issues related to stock and financial investment.

Since SARS became a very serious issue in China and the world, we invited Dr. Howard Liu, Owner of American Chinese Medical Center, P.C. talked about SARS: Severe Acute Respiratory Syndrome. He presented to us what we should know to protect ourselves, and what are the actual risks and what are the hypes.
