

## Starting your Business in China or in the USA?

Entrepreneurs Club  
November 1, 2003 7:00-10:00pm  
MIT E25/117

In this routine networking event, we invited Dr. Hua Jiang to give a seminar titled "Starting your Business in China or in the USA?" Dr. Jiang is the President and CEO of Boston Applied Technologies and an experienced and successful entrepreneur. He critically analyzed the situation on both sides and gave some ideas as to where should be the best place to startup or run business.
