Discussion "The Great Opportunities in China for Overseas Chinese Scholars"

OCEAN and Boston Chinese Report cooperated to have a "Dalian 6-29 Conference Discussion Meeting" on August 5 evening at MIT E-25/117. Dalian 6-29 Conference was a very successful conference. Total of about 300 overseas Chinese scholars and 800 enterprises and venture capitalists attended this meeting. It was the biggest related conference in China up to now. Twelve of OCEAN members attended this conference. In this Saturday's meeting, the attendees shared their feelings, experiences and meeting details. As Dr. Hua Jiang suggested, and OCEAN board decided, the first Saturday evening (7:00 PM - 10:00 PM) of each month will be fixed as a special time for all kinds of OCEAN members to contact and talk each other for information exchange and cooperation partner searching. We call this evening as "OCEAN Entrepreneurship Club Networking Evening". This meeting was reported on Boston Chinese Report.
